NEXT MEETING

By Ken McKenzie and Ronnie Van Dommelen

Our next meeting will be Saturday, November 25, at 7:30 p.m. This month's activity will be a planning session for next year's Open House at the museum, in honour of our fiftieth anniversary. Brenda Boutilier has asked us to move it to May-June because by the time we picked a date, she had already made up the schedules.

Ronnie would like everyone to decide what he or she wants to put on display in the show so we can get an idea of how much material we will be dealing with. Ronnie also wants to get other details nailed down.

There will be no mineral theme this month. Suggestions for future themes and programs would be welcome at the next meeting.

MEMBERSHIP LIST

By Ken McKenzie

The long awaited membership list for 2006 is now available. Please treat the information confidentially, as it is only meant for use by other society members.

Any corrections (particularly e-mail addresses) should be forwarded to me and copied to Terry Collett. If you are still getting a paper copy but could receive *the Bark* by e-mail instead, let me know so that we can save on printing and postage.
